Spotlight

30 Hay Currie Street

London E14 6GN

Bow Arts and the Poplar Partnership schools invite you to a celebration of children's artwork created together over the last 12 months.

Professional artists from Bow Arts have been working with teachers and pupils from nine schools in Poplar to deliver exciting art programmes in school. We have been busy drawing, sculpting, painting, casting, printing and more, to produce outstanding work for all to enjoy.

Come along to see the results, and take part in a fun exhibition trail to receive free art materials for your children.

All children and families welcome.
